# REQUIREMENTS OF A CERTIFIED UNPLOWED GROUND RESPITE PROVIDER

As King's Ranch Ministries has grown and expanded, its mission has remained the same. King's Ranch Ministries exists to equip families to restore the childhoods of children affected by trauma... by rewiring brains, cultivating hearts, and sowing seeds of the gospel. Our vision is to end the cycle of abuse in their generation.

As a certified Unplowed Ground Respite Provider, you will need to adopt this vision and mission as your own. If your view of the respite opportunity is to do your own thing or to mix Unplowed Ground with other methods, this certification process is not for you. This program is meant to be implemented correctly, completely, and exclusively.

As a certified Unplowed Ground Respite Provider, it is expected that you conduct yourself as an ambassador of King's Ranch Center for Childhood Trauma Recovery, its guiding principles, and its mission and goals as mentioned previously.

# What Do I, As A Certified Respite Provider, Do?

Our certification program is designed to provide you as the respite provider candidate with the knowledge and experience you'll need to begin providing respite for parents who are current participants or graduates of the Unplowed Ground Jumpstart course provided by King's Ranch Ministries.

Once you have completed your online training, you will attend our Live Training Event at King's Ranch Ministries. There you will receive a next steps email from our staff on how to set up your contractor account on Quickbooks. Keep in mind, as a respite provider you are a private contractor responsible for collecting your own fees and withholding your own taxes. You will be in charge of scheduling respite according to your availability.

King's Ranch Ministries will also provide training on how to navigate the Unplowed Ground Website and the Jumpstart Portal, which you will have unlimited access to as a respite provider. This will allow you to see all of the resources that the families you are providing respite for have access to throughout their 5 weeks of Jumpstart.

Your clients will have completed Unplowed Ground Jumpstart and will be part of our VIP community. Our community will have access to our Certified Respite Provider List and may contact you about providing therapeutic or motivational respite care for their child. Our suggested pay scale is \$200 per day per child which includes food and lodging. We recommend \$300 per day if you choose to do respite over a holiday.

Once you are certified, the training doesn't end there! You will receive on-going professional development and support from our expert Therapeutic Parenting Specialists at King's Ranch Ministries.
